Cotignac

Rewarded "Most Beautiful Village in France" in 2022, Cotignac is known for its 80m high Tufa Rock overlooking the village. A very special aura emanates from this place where the Holy Family made their appearance.

Lac de St Croix

This stunning lake with its turquoise waters is the third largest lake in France. The starting point for exploring the Verdon Gorges (biggest canyon of Europe), it offers a wide range of water sports activities.

Moustiers St Marie

This superb village, also recognized as one of the "Most Beautiful Villages of France," is renowned for its earthenware production. A small cobbled path will lead you to the sanctuary, from where you can enjoy a breathtaking view of Lake St. Croix.

Plateau de Valensole

Kingdom of the famous Provençal perfume plant, this territory, covered in flowering lavender from June to August, will dazzle your eyes, but not only that! The village of Valensole is also renowned for its lavender honey, a true delight for the sense of smell and taste.

Le Bessillon

Rising to 813 meters, this mountain dominates the northwest of the Var region. It houses the St. Joseph sanctuary where vespers are held every day at 5 p.m., a timeless moment where the Benedictine nuns lull us with their pure voices.
